9.	FIN013 Challengers Bursary Application Form.....	3

1. Scope of policy

- This policy outlines the application of Challengers Bursary Policy to ensure that this policy is applied fairly and transparently.

2. Communications

- Information about Challengers bursary is available on the web site www.disability-challengers.org or from the Challengers Finance Team on 01483 230 589.

3. What is a Bursary?

- Challengers believe that all children and young people should have the right to play. The Challengers bursary fund has been developed to assist individuals who may have difficulties attending because of financial considerations.
- Challengers will fundraise each year to provide a small fund that will be reserved specifically for the bursary scheme.
- The fund can be used to clear fees for sessions already attended or for future sessions.

4. Who can apply?

- Challengers will accept all applications where need is demonstrated in a supporting letter and application form.
- Each application for bursary funding will be judged on its own merits so it is in the interest of applicants to provide as much relevant information as possible in their application.
- You can apply for Pre-school, Play, Youth and Young Adult sessions.

5. How much is awarded?

The fund is sustained by voluntary donations so will vary year to year. The total fund at the beginning of Challengers financial year 1st January will be divided equally in to four funding pots.

6. When and how do I apply?

- Applications will be accepted throughout the year during the booking window for sessions.
- Each applicant will need to complete FIN013 Challengers Bursary Application form and write a supporting letter explaining why they should be considered detailing any special circumstances that would support their case.
- The application needs to be either emailed to finance@disability-challengers.org or posted to Challengers, Finance Team, Stoke Park, London Road, Guildford, Surrey GU1 1TU.

- Each application will be considered by an independent panel consisting of four people invited from Challengers supporters' pool. The panel will be independent of Challengers staff although a member of the finance team will attend the meetings and liaise with applicants.
- A decision will be made and notified to the applicant once the decision has been made.
- All decisions of the panel are final and may not be appealed.
- Your application form and any supporting documents will be destroyed once your application has been processed.

7. Feedback

- We may ask each family receiving the award to fill in a simple questionnaire about the impact that the award has made. Challengers will use this information to report back to those who have donated to the fund, and help promote future donations.

8. Additional information

- If successful the award will be applied to your Challengers account. This can then be used towards future bookings or to pay off outstanding invoices.
- If a bursary funded session is cancelled refund for the session will be allocated back to the bursary fund not refunded to the Parent or Young Person.

9. FIN013 Challengers Bursary Application Form

Name of applicant (child or Young Person):
--

Address:

Number of People in Family: Adults / Children
